UNIFORM PRODUCT CODE AND BAR CODING. Warwood Tool Company's (U.P.C.) Uniform Product Code No. is as follows: 6 98582 (Manufacturer Code) plus our five digit (Product Number) and one digit (Check Digit Number).

GENERAL TERMS AND CONDITIONS

Payment Terms: 2% discount, 15 days from date of invoice, net 30 days. Past due accounts will be subject to a service charge of 1 ½% per month.

Shipping Terms: Full freight will be allowed on shipments of 1,000 lbs. or more to any point in the Continental United States. Warwood Tool reserves the right to ship via the least expensive route.

Minimum Invoice Charge: Our minimum order and invoice charge is \$75.00.

Returned Goods: No merchandise is to be returned without Warwood Authorization. Returned goods, when authorized, must be returned prepaid freight. Credit will be issued at invoice price at time of shipment less 15% restocking charge, plus cost of initial outgoing freight. If it is necessary to recondition or repack returned goods, additional charges will be assessed. Credit for returned goods may be applied only toward the purchase of other Warwood Products. Credits cannot be applied for cash rebates.

Shortage or Damage: In the event of any shortage or damages, notify at once the delivery transportation agent. File claim properly and be certain all shortage and damaged goods are signed and noted on the freight bill at the time of delivery.

Loses and damages which occur in transit are the carrier's responsibility, and such claims should be files with the carrier.

Packaging: Most items are packed (5) per carton, items 3 lb. and less are packed (10) per carton, large bars are strapped in units according to sizes.

Disclaimer: Warwood Tool Company makes no warranty, express, implied or statutory, including any implied warranty of merchantability and/or fitness for any particular purpose, with respect to any of its tools. In addition, Warwood Tool Company shall not be liable for any damages arising out of or occasioned by the selection, application, use or operation of its tools.

Specifications: Specifications and plans in this catalog include those published by the American National Standards Institute, Inc. (A.N.S.I.) and/or American Railway Engineering Association (A.R.E.A.) and/or Federal Specifications and/or the United States Department of Commerce Simplified Practice Recommendations (heavy forged hand tools) unless otherwise specified. If ordering to American Railway Engineering Association Specifications designate AREA Plan, Type and Grade of steel desired.

Warning: Always wear safety goggles when using striking or struck tools, or when near someone else who is doing so. Discard any striking or struck tool if tool shows chips, cracks, dents, mushrooming or excessive wear. The misuse or abuse of hand tools can result in serious bodily or eye injury. If you are uncertain as to the proper use of any of our hand tools write or e-mail us and we will send you our safety booklet on the proper use of hand tools as published by the Hand Tools Institute.
